Astral Industries ("Astral"), a division of Wilbert Funeral Services, Inc., with its principal offices in Lynn, Indiana, hereby warrants to the Funeral Director and to the initial person(s) purchasing the Casket from the Funeral Director for interment in an outer burial container or entombment that the Casket will be free from defects in material and workmanship.

At its expense Astral, whether the Casket is sold through its Authorized Distributor or directly to a Funeral Director, will promptly repair or replace such Casket with one of similar style and equal or greater value if it has been found to be defective in material or workmanship. Upon receiving written notice and supporting documentation from the claimant regarding a defective Casket, the Authorized Distributor or some impartial party assigned by Astral, shall be afforded the opportunity to independently examine the Casket.

This Limited Warranty applies for a period of two-years from the time the Casket was delivered to the Funeral Director. It is also dependent on confirmation the Casket was under the consistent control and oversight of the Funeral Director to whom the Casket was originally sold. Astral shall not be responsible for any consequential damages arising out of any breach of this express Limited Warranty or any implied warranties. No persons, including Authorized Distributors, are able to alter this Limited Warranty in any way.

The Funeral Director's and the initial purchaser's exclusive remedy for breach of this Limited Warranty shall be limited as specified herein to repair or replacement. Responsibility for special, incidental, emotional, and consequential damages is expressly excluded. Some states do not allow the exclusion or limitation of consequential or incidental damages, so the above noted limitation may not apply.
